

Anitex

SOCKS
MADE
FOR
YOUR
FEET

Preduzeće Anitex iz Bosilegrada ima dugogodišnju tradiciju u proizvodnji ženskih, muških i dječjih čarapa. Osnovano 1991. godine kao mala zanatska radnja, za kratko vreme je postalo uspešno preduzeće prepoznatljivo po proizvodnji kvalitetnih čarapa modernog dizajna. Celokupan asortiman je proizveden od najkvalitetnijih materijala renomiranih svetskih proizvođača, od klasičnog najlona, pamuka, poliamida, likre i mikrofibera.

Cilj Anitex-a je da konstantnim usavršavanjem proizvodnje i kreiranjem kvalitetnih proizvoda postane jedan od najuspešnijih proizvođača čarapa na domaćem tržištu. Proizvodni pogon se sastoji od modernih mašina koje u zavisnosti od tipa i prediva koje se koristi, mogu proizvesti široku paletu proizvoda. Preduzeće trenutno proizvodi i prodaje čarape iz sva tri programa u nekoliko kolekcija. Velika paleta boja, maštoviti dezeni i kvalitetno pletenje zaštitni su znak Anitex čarapa.

Company Anitex from Bosilegrad has a long tradition in manufacturing women's, men's and children's socks. Established in 1991. As a small craft shop, in short time has become a successful company recognized for production of high quality socks modern design. The full range is manufactured from the highest quality materials by renowned manufacturer of classic nylon, cotton, polyamide, lycra and microfiber.

Anitex aim is to continuous improvement of production and creation of high quality manufactured become one of the most successful manufacturer of socks in the domestic market. Production line consists of modern machines, depending on the type and the yarn used, can produce a wide range of products. Company currently produces and sells socks in all three programs in several collections. Wide range of colors, imaginative designs and high quality weaving are trademark of Anitex socks.
